*With all its lovely colors
a rainbow fills my mind,
of thoughts about a peaceful rain
and the calm it leaves behind;
I remember too the rainbow
you gave me with your smile,
the way we laughed and all held hands
and shared life for a while;
My memory's like a rainbow
of all my closest friends,
With special thoughts of special things
upon which my life depends;
Someday these friends will mean so much
when time has made us part,
the memory of the things we did
we'll keep inside our heart,
I'll think now of the rainbow
and of how our friendship grew,
and hope that when we say good-bye,
this rainbow's part of you.*

DEDICATION

The 1976 AGAPE is lovingly dedicated to Dr. Calvin Thielman --

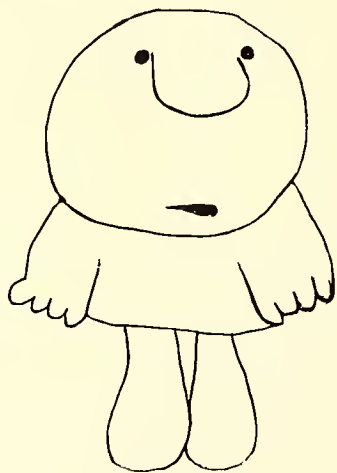

He is most appreciated for his devotion to living the Christian life as a witness to the students, but is also precious for his witty anecdotes, his flood water blue jeans, his honesty and his ever ready grin. It is common knowledge that in his capacity as chaplain, and as a true friend he is always willing to lend an ear and a helping hand. For all these things, we thank you, and we love you, CALVIN

NELLIE BAKER, this year's **HOME-COMING QUEEN**, is a sophomore from Orlando, Florida. She served on the Homecoming Court last year. Her hobbies include horseback riding and water-skiing.

HOMECOMING

BROOKE PARRIOT, this year's MAID OF HONOR, is a freshman from North Augusta, South Carolina. She was the Homecoming Queen at her high school and a cheerleader.

HOME COMING 1975

The theme for the evening events was "Starry, Starry Night" and was held in Upper Anderson Auditorium on October 18th. The band "Eastern Seaboard" provided great dance music.

NELLIE BAKER was crowned QUEEN and Brooke Parriott as the Maid of Honor. The Sophomore runner-up was Jennifer Horner and the Freshman runner-up was Jenny Fortner.

Members of the Homecoming Court and their escorts: LEFT TO RIGHT, QUEEN Nellie Baker and Sonny Coble; Mary Sue Van Overloop and Stuart Jonap; Beverly Harper and Wendell Ligon; Jennifer Horner and Richard Ivey; Jenny Fortner and Lance Williams; Lynn Buie and Jerry Harper; Jill Barnes and Jim Bridgman; Brooke Parriott with John Putnam.

FIFTIES

The 50's Dance was held on a cool, autumn night in the gym. The band consisted of all Montreat-Anderson College students, including a girl's group taking off on "Candy and the Peppermints". Everyone came dressed similar to the decade and it was sometimes hard to recognize your friends. Afterwards, the crowd went "cruising" to Shoney's in Asheville.

DANCE

INTERIM WEEK

At the beginning of the 1976 school year, Montreat-Anderson College sponsored a Bi-Centennial celebration in which various displays and features were presented. The highlight was a Colonial Dance held on January 13. Interim Week was a marvelous success.

BITS AND PIECES

ALL-HALLOWS EVE

This year, Montreat Students decided to celebrate Halloween in the original manner. Halloween was a holiday to honor a saint in the church. After a service in the Chapel, students gathered late that night at McGregor Dorm to eat, sing and rejoice in the Lord.

CHRISTMAS DANCE

The 1975 Christmas Dance was held in Assembly Inn on December 6. The band that played was called, CAUTION and featured music by the Doobie Bros, Elton John, David Buie and others. It was full of live music, fun and the Christmas Spirit.

SOCCER '75

The hopes of the Montreat Soccer team at the season's opening were indeed quite impressive. Our record was poor yet we tallied 17 goals against our opponents. This season did much more for the team. It strengthened our faith in the Lord. Next year's team will show the marked improvement with the skill, determination, and leadership found in this year's team that we now have in the returning sophomores and most of all—our Coach Wilhelmi.

SCA is organized

by TOM FOHNER and
LINDA LEACH

At the beginning of the school year everyone was asking what is the SCA? Well, the answer, oddly enough, lay in those asking the question. That is, the Student Christian Association consists of the body of Christ on campus. The association has a

but they are only here to act as head of the body. A body needs a head; that's the officer's job. It's the believers, though, that make the SCA what it is, for they are the association, a unified body of Christ sold out to God. The SCA has one desire, to

finds students jobs

by LINDA LEACH

Well into its second year of full operation, the Cooperative Education Program has greatly expanded opportunities for students interested in gaining off-campus work, especially in fields related to their career choices.

The student entering the Co-op Program has a choice of two options. The first is to spend two semesters on campus followed by one off campus during each year at Montreat. On campus, the student pursues his studies full time. In his "free" semester he works full time on a job.

The second option for students is to participate in the program while still in school. They work on campus during the

the Asheville area. Arrangements can be made for students who wish to work in these localities.

Students who previously worked in the Co-op Program say that it is a great benefit to them for they gain insights into their careers, get work experience and earn money as well.

GREYBEARD PLAYERS

The Theatre department of Montreat-Anderson has been fortunate to have the superb direction of Dr. "K". He came to us two years ago, after heading the theatrical department of Lees College in Kentucky. Once again as head of a theatre group, Dr. Kinnison's twenty years of experience and creative know how has made THE GREYBEARD PLAYERS a name known to Western N.C.

This year's productions included, TEN LITTLE INDIANS, THE ODD COUPLE, WILL THE REAL JESUS STAND UP?, and THE BAD SEED.

Dr. Kinnison has certainly put time, effort and patience into his work here at Montreat. And as he would say, "It takes a heap of living to make a house a home."

Students give Bibles in Mexican prisons

By LINDA LEACH

Each year there is a crying need for God's love to be spread outside our own neighborhood. All over the world there are situations which separate us from God. The Drug Scene is one.

Four Montreat students; Cindy Jones, Ken Wilkinson, and Glinda and Preston Parrish, supported by the Billy Graham association, were given the opportunity to go to Mexico for six weeks this past summer and distribute Bibles to American prisoners.

The penalty was ten to twelve years with no bail.

"Our main objective," said Cindy, "was to offer the American prisoners Bibles. A total of one hundred Bibles were given away. We would pray that the Lord would give us a chance to talk to them about Him."

Curiously enough the women weren't as open minded as the men; because they were into practicing yoga.

Cindy explained that the Lord always was an interpreter, easier to understand for prisoners.

"We are all that the Lord gave us which taught us all that recognized the United States concern of With Mexico."

It is not so much what you do that counts
As the reason behind what you do.
And it is not so important who you love.
But that you simply love.
And not just to those who accept your kindness,
But also to those who don't understand it.
Maybe because...
They have never been loved.
